Section 3. Determination of Amount of Assessment:

(a) The initial minimum annual assessment shall be \$150 per year per lot for the 2015 and 2016 calendar years. The subsequent year assessments will be based upon a budget determined in part by the operating costs and reserve requirements of anticipated amenities which will become part of the common area of the subdivision and as such the initial minimum assessment does not represent subsequent year assessments to which each lot shall be subject. (b) Except as otherwise required by statute, within thirty (30) days after adoption of any proposed budget for the planned community, the executive board shall provide to all the lot owners a summary of the budget and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. The executive board shall set a date for a meeting of the lot owners to consider ratification of the budget, such meeting to be held not less than ten (10) nor more than sixty (60) days after mailing of the summary and notice. There shall be no requirement that a quorum be present at the meeting. The budget is ratified unless at that meeting a majority of all the lot owners in the association or any larger vote specified in the declaration rejects the budget. In the event the proposed budget is rejected, the periodic budget last ratified by the lot owners shall be continued until such time as the lot owners ratify a subsequent budget proposed by the executive board.

(c) The due dates shall be established by the Board of Directors of the Association and the Board of Directors shall have the authority to require the assessment to be paid in pro-rata monthly installments, quarterly and semi-annually as well as annually. Section 4. Collection of Assessments: The first pro rata payment of the balance of the current year assessment shall be due and payable beginning on the day of closing. In addition thereto, at closing, the Declarant shall cause to be collected from the purchaser, the initial "set up" or documentation fee, and an amount equal to two-twelfths of the then current minimum annual assessment for said lot. This shall be used for the sole purpose and use as a working capital fund.

Section 5. The Association may bring an action at law against the Owner personally obligated to pay any assessments and interest. Costs and reasonable attorneys' fees for the prosecution of any such action shall be added to the amount of such assessment. In the event of such action at law and in the further event that such action results in a judgment being entered against the Owner and in favor of the Association, then, and in that event, the Association shall collect on such judgment in such manner and to the extent provided and permitted by the laws of the State of North Carolina.

The Association's lien may be foreclosed in like manner as a mortgage on real estate under power of sale pursuant to the North Carolina General Statutes. All fees, charges, late charges, fines, and interest are enforceable as assessments.

In any foreclosure action brought under the power of sale provisions, the Association shall be deemed to be the holder and owner of the obligation secured by this Declaration. The Registered Agent of the Association shall be the Trustee for all purposes of the foreclosure proceeding and the Association shall have the power to appoint a substitute trustee if for any reason the Association desires to replace the trustee, and the said substitute trustee shall succeed to all rights, powers and duties thereof. The Association shall request of the trustee to sell the land subject to the lien at public action for cash, after having first given such notice and advertising the time and place of such sale in such manner as may then be provided by law for mortgages and deeds of trust, and upon such and resales and upon compliance with the law then relating to foreclosure proceedings under power of sale to convey to the purchaser in as full and ample manner as authorized by Law. The Trustee shall be authorized to retain an attorney to represent him in such proceedings. The proceeds of the Sale shall, after the Trustee retains his commission, together with any addition attorney's fees incurred by the Trustee, be applied to the costs of the sale, including but no limited to costs of collection, taxes assessment, costs of recording, service fees, and incidental expenditures, the amount due on any note secured by the property, and any advancements made by the Association in the protection of the security.

Section 7. Effect of Default in Payment of Ad Valorem Taxes of Assessments for Public Improvement by Association: Upon default by the Association in the payment to the governmental authority entitled thereto of any ad valorem taxes levied against the Common Area or assessments for public improvements to the Common Area, which default shall continue for a period of six (6) months, each owner of a Lot in the development shall become personally obligated to pay to the taxing or assessing governmental authority a portion of such unpaid taxes or assessments in an amount determined by dividing the total taxes and/or assessments due the governmental authority by the total number of Lots in the development. If such sum is not paid by the Owner within thirty(30) days following receipt of notice of the amount due, then such sum shall become a continuing lien subject to the lien of the governmental authority levying said ad valorem taxes on the Lot of the then owner, his heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the owner of the Lot.

W. M. T.

Section 8. Sale of Lot / Subordination of the Lien to Mortgages: The sale of any Lot shall not affect the assessment lien and the Association may either bring an action at law to collect from the former or current owner, or may elect to foreclose the lien against the owner of the Lot. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

8. GENERAL RESTRICTIONS: [Applicable to all properties except as set out in an Amendment to Master Declaration which may add property to the Project Area, or as otherwise amended hereafter.]

A. Section 1. Residential Use (SF): All lots shall be used exclusively for residential purposes of a single family (which may be part of a multi unit building and which may include separate living quarters for one or more members of the owners' family or relative), except that any lot may be used by the Declarant for a street or roadway. No business, trade, garage sale, moving sale, rummage sale, or similar activity shall be conducted upon a lot without the prior written consent of the Board.

An Owner or occupant residing in a dwelling on a lot may conduct business activities within the dwelling so long as:(i) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside the dwelling; (ii) the business activity conforms to all zoning requirements for the lot; (iii) the business activity does not involve regular visitation of the dwelling or lot by clients, customers, suppliers, or other business invitees or door-to-door solicitation of residents of the subdivision; and (iv) the business activity is consistent with the residential character of the subdivision and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the subdivision, as may be determined in the sole discretion of the Board.

The terms "business" and "trade," as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-time, (ii) such activity is intended to or does generate a profit, or (iii) a license is required.

This subsection shall not apply to any activity conducted by the Declarant or a Builder approved by the Declarant with respect to its development and sale of the Properties or its use of any lots which it owns within the subdivision, including the operations of a timeshare or similar program.

The minimum size for the main level of the dwelling and the total square footage for any home for multiple levels shall be determined by the Architectural Control Committee.

This covenant shall not be construed as prohibiting the use of a new dwelling as a model home for sales/rental purposes.

No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any Lot at any time as a residence either temporary or permanently. No trailer, mobile home, camper or like vehicle shall be allowed on the property at any time, or any other structure which is finished or partially finished at a manufacturing unit or plant and transported for quick assembly and which is designed to be disassembled and relocated shall be allowed. It is specifically the intention and purpose of this covenant to prohibit the location of any manufactured home as defined in NCGS 143-145 and any structure for which a "Label of Compliance" as defined in NCGS 143-145 is issued, including but not limited to those structures which are generally referred to as mobile homes, trailers, relocatable houses, or similar type structures on the property.

The Board of Directors shall have the right to limit or prohibit the rights of the owners to use recreation facilities during the period of rental to non owners.

By his acceptance of a deed of his unit, each unit owner empowers the Association or its designee, as his attorney in fact, to bring a proceeding in summary ejection to remove any tenant who is in violation of the provisions of this Declaration, the By-Laws, or any rules and regulations adopted by the Board of Directors pursuant thereto. If leased, a unit must be leased in its entirety, and may not be subdivided for this purpose. Nothing contained herein shall be construed, nor shall the Board of Directors be empowered to create a rental pool, to require the employment of an exclusive rental agent, to fix rental rates, or to require that units be made available for rent. All leases shall provide a minimum effective lease term of thirty (30) days without provisions for early termination, and a copy of any rental management agreement and all leases shall be provided to the Association.

The Association shall not have, however, any

obligation to undertake any such maintenance or repair. The costs of the maintenance or repair shall be an assessment payable by the owner and against the lot maintained or repaired collectable as any other assessment.

RESTRICTION ON FURTHER SUBDIVISION: No resubdivision of any single Lot shall be allowed,, except that nothing contained herein shall prohibit the owner of a Lot from conveying by deed or easement a portion of a Lot to an adjoining Lot owner for the purpose of curing an encroachment or setback violation. Further, provided, however, that the Declarant, its successors or assigns, reserves the right to make minor boundary line adjustments between lots so long as said adjustment does not exceed ten percent (10%) of the total area of a given lot.

Nothing contained herein shall prohibit conveyance of more than one Lot, or portions of contiguous Lots, as long as the resulting Lot or Lots are greater in size than those originally subdivided. Upon the recombination of any Lots to reduce the total number of allowable building Lots, for purposes of membership in the Association and for purposes of the payment of dues and assessments, the combining of lots shall not reduce the number of lots for the purpose of assessments and the assessments shall be pro rated based upon the area of the recombined lots.

Any recombined or resubdivided lot shall be restricted to the construction thereon of one Living Unit per redivided Lot. It is the intention that the recombining of lots will decrease the number of homes within the property subject to this declaration, but that in no event shall the maximum number of homes which can be constructed within the property subject to this declaration increase.

Furthermore, should any Lot be determined by Declarant to be unbuildable, and should such Lot then be deeded to the Association as Association Property, or dedicated by Declaration as recreation or open space area for the benefit of the Association, all by document duly recorded in the office of the Register of Deeds of Onslow County, there shall be no further dues or assessments owed from the date of such recordation; however, any dues prepaid shall not be reimbursed.
